LATIN AMERICAN PERSPECTIVES

SUBSCRIBE TODAY AND RECEIVE A 30% DISCOUNT ON AN INDIVIDUAL SUBSCRIPTION

“Latin American Perspectives publishes many of the best critical, analytical, and theoretical articles in the English language on Latin America. At a time when many intellectuals have embraced neo-liberalism, LAP stands out as a major force of radical social thought.”
 — James Petras, *SUNY, Binghamton*

“Latin American Perspectives fills a vital gap in our knowledge of this area, which is not currently covered by other journals.”
 — Helen I. Safa, *University of Florida, Past President, Latin American Studies Association*

“Latin American Perspectives is an essential resource for anyone seeking a progressive intellectual discussion of Latin America in a language accessible to a broad audience.”
 — Carlos Vilas, *Graduate Studies Professor, Universidad Nacional de Lanus, Argentina*

LATIN AMERICAN PERSPECTIVES

Ranked in Area Studies and Political Science in the Thomson Scientific Journal Citation Reports®

A VALUABLE RESOURCE

In six thematic issues per year, **Latin American Perspectives** provides

- Critical analysis and discussion of Latin America's political economy—capitalism, imperialism, and socialism
- In-depth articles about the movements, ideas, and conflicts shaping the course of events in the region
- Access to the voices of Latin America's critical intellectuals and leading activists

A MULTIDISCIPLINARY VIEW

Latin American Perspectives offers a vital multidisciplinary view of the powerful forces that shape the Americas. Disciplines covered include:

ECONOMICS AND POLITICAL ECONOMY

Neoliberalism and the struggle for alternatives, the internationalization of capital and production, the informal sector, fair trade

INTERNATIONAL RELATIONS

U.S. hegemony and Latin American challenges, grassroots globalization, regional integration, and international solidarity

HISTORY

The trajectory of social and political movements, exile, Latin American and the international Left

SOCIOLOGY AND SOCIAL MOVEMENTS

Class, migration, labor organization, new social movements, human rights

GEOGRAPHY AND ECOLOGY

Struggles over the privatization of natural resources, the fate of the rainforests, tourism and ecotourism, shanty-towns and the urban environment

ANTHROPOLOGY

Indigenous and Afro-Latin American movements and resistance, migration and transnational communities, ethnogenesis and borders

WOMEN'S AND GENDER STUDIES

National feminisms, sexual identity movements, women in social movements, migration and gender, transforming family and domestic relations

LITERATURE AND CULTURE

Manifestos and chronicles by leaders and participants in social movements, memory, mass and alternative media, censorship and the free movement of scholars, artists, and ideas

CRITICAL THEORY

Testimonio reconsidered, cultural hybridity, critical pedagogy

POLITICAL SCIENCE

Democratization, popular versus liberal democracy, civil society and the state, military regimes, and repression
